### 2008 Kim Crawford SP Spitfire Sauvignon Blanc

"This is aromatic with fresh herbs, especially sage, then bursts with pineapple, grapefruit and guava flavors in the mouth, skipping lightly through the vivid finish. Drink now."

*Harvey Steiman, Web 2009*

*The SP Spitfire Marlborough Sauvignon Blanc derives its name from the fighter aircraft located at the air force base in this area during WWII. Like its aviation counterparts, it has taken New Zealand's most prestigious wine awards by storm.*
